RECOMMENDED READINGS

The following list of texts and authors is designed to help you find suitable texts for the required readings of the different periods. This list does not claim to be a complete overview of literary works for the respective periods, but should rather guide you in your selection process. Therefore, if you would like to suggest a different text, please feel free to add it to your supplementary reading list instead of our suggestions. However, please keep in mind that for points (1), (2), and (4) you should pick an author whose works are printed in *The Heath Anthology of American Literature* (available at the university libraries). Our reading suggestions are taken from there if indicated (H).
